KDV Twin Cities Growth Leads to Office Move

Minneapolis, Minnesota – October 23, 2009: Kem, DeWenter, Viere, Ltd. (KDV), a regional CPA and business advisory firm will combine its three Twin Cities offices in Bloomington, Minnesota effective November 2, 2009. The move was made to accommodate KDV's organic growth and its recent expansion through mergers. Earlier this year KDV completed mergers of a CPA firm specializing in accounting and consulting services for privately held industries and health care services and an outsourced information technology consulting firm. The Twin Cities office consolidation does not affect KDV's existing St. Cloud location or operations.

Loren Viere, KDV Managing Partner said, "As we continue to expand in the Twin Cities market, the move to the Bloomington area will allow us to more fully meet the needs of our clients and provide efficient working conditions for our staff. The new location is strategically positioned to allow easy access to clients and opportunities for future growth."
