

KDV Announces Their New Partners

Minneapolis, MN - October 11, 2010. KDV is growing and we are proud to announce three new partners: Jake DeWoskin, Tim Smith and Jim Stelten. “We are excited to have Jake, Tim and Jim join our partner group,” said Loren Viere, Managing Partner of KDV. “They each bring unique skills and experiences to compliment our already strong team.”

Jake DeWoskin

Technology

Jake DeWoskin joined KDV in 2003 after having spent several years as an IT consultant at another Twin Cities consulting firm. Throughout his 18 years of experience Jake has gained substantial experience in IT management, consulting and IT strategy, including numerous industry certifications. Jake works extensively with small and large businesses, helping them solve business challenges through the efficient and effective use of technology. Jake has expertise in network design, security, application delivery, virtualization and IT strategy.

Jake is active in firm leadership as the manager of the Twin Cities engineering team. Jake is very enthusiastic about becoming a partner at KDV and will work hard to continue the tradition of excellence.

Tim Smith, CPA, MBT

Privately Held Tax

Tim has over 17 years experience in the tax area serving companies in a variety of industries, including construction, real estate, manufacturing and distribution. He has advised clients on a wide range of tax issues, including compliance, planning, controversy work, tax provisions, mergers and acquisitions and due diligence.

Prior to joining KDV, Tim held the position of Tax Officer for a \$2 billion national contractor/developer and was also a Tax Director with a national accounting firm. Tim is a member of the American Institute of Certified Public Accountants and the Minnesota Society of Certified Public Accountants.

Jim Stelten

Client Experiences

Jim grew up in a family business. And, he has also spent the majority of his career “working with and in” growth-oriented companies as a CFO, as a COO and as a professional advisor. His “creative” profile is different than most CPA’s. Jim brings his unique background and connections to help our clients create greater company value. “My goal is to listen to our client’s needs and earn their trust and respect to be a portal for them to help solve problems and create opportunities.”

“KDV brings out the best in me. I get energy from what I do and feel supported in my role to “up-level” client experiences and value received. I’m excited about KDV’s future.”
